

## VOLUNTEER FORM

Taste, IdeaFestival's annual food and beverage tasting experience, highlights bourbon, innovative local breweries, and favorite local food and beverage producers at Copper & Kings Distillery on Wednesday, September 27 from 6:00-8:00pm. Whether it's helping with set-up in the afternoon hours leading up to the event, or working with the vendors throughout the event, the job of the volunteers is critical to the success of Taste!

Afternoon shift will help with set-up of tables, signage, décor and serving ware. Those helping during actual event times will be keeping up with the vendors needs such as ice, serving ware and making sure their trash does not overflow. Post event will just help with small jobs needed to return the venue to its original state.

If you would like to be a 2017 volunteer, please complete the below information and send to [sarah@yorkmgmt.com](mailto:sarah@yorkmgmt.com) by **Friday, September 22nd**.
